

How to arrive Tainan from Taoyuan International Airport

First of all, there are two airport terminals, Terminal 1 and Terminal 2. However, I don't know which terminal your airplane will arrive, therefore, I would provide you both terminals' information.

If your airplane arrives at **Airport Terminal 1**, please go to B1 (Basement 1) to find the MRT station. The below is the floorplan of B1.

The MRT station's name is "Airport Terminal 1" and the code is "A12". You need to go from "Airport Terminal 1" (A12) to "Taoyuan HSR Station" (A18).

The MRT runs every 15 minutes.
